## price increases effective August 2008

Following price increases in raw materials and energy costs we have been informed of various price increases from a number of suppliers. We regrettably have no alternative but to announce the following price increases and amendments:

Product	Increase	Date of Increase
Armstrong Grid	6%	1st August 2008
USG Grid	6%	1st August 2008
Rockfon Grid	6%	1st August 2008
OWA Grid	6%	1st August 2008
Burgess Grid	approx 27%	1st August 2008
Armstrong Orcal Metal Tiles	approx 13%	1st August 2008
Burgess Metal Tiles	approx 12%	1st August 2008
Burgess Plastisol Finish Tiles	approx 20%	1st August 2008

Raw material prices in the steel market are currently extremely erratic. All manufacturers have indicated that there may be further price increases during the remainder of 2008. We will, of course, keep you advised of these changes as soon as we are notified by the manufacturers.

If you require the new list prices for specific products affected by the changes above, please contact your local CPD branch.

Yours faithfully
