## price increases effective June 2008

Following price increases in raw materials and energy costs we have been informed of various price increases from a number of suppliers. We regrettably have no alternative but to announce the following price increases and amendments:

<b>Product</b>	<b>Increase</b>	<b>Date of Increase</b>
Ecophon Grid	15%	1st June 2008
Protector Systems	12-15%	1st June 2008
Cornercare	12-15%	1st June 2008
Dextra (Lighting)	10%	1st June 2008
Speedline Fixings	15%	1st June 2008

Raw material prices in the steel market are currently extremely erratic. All manufacturers have indicated that there may be further price increases during the remainder of 2008. We will, of course, keep you advised of these changes as soon as we are notified by the manufacturers.

If you require the new list prices for specific products affected by the changes above, please contact your local CPD branch.

Yours faithfully
