OWA Tiles	approx 4-8%	1st October 2008
Danoline	approx 4%	15th September 2008

Raw material prices in the steel market are currently extremely erratic. All manufacturers have indicated that there may be further price increases during the remainder of 2008. We will, of course, keep you advised of these changes as soon as we are notified by the manufacturers.

If you require the new list prices for specific products affected by the changes above, please contact your local CPD branch.

Yours faithfully
